VERY IMPORTANT OLD TESTAMENT BIBLICAL LIE ABOUT WHERE THE OLD TESTAMENT STORIES CAME FROM

Earth Was Formed from a Planetary Collision—And the Tablets Describe It

First readers of the Bible have to understand that many of the Old Testament Jewish stories came from Babylon in Mesopotamia. We have been taught so much misinformation, disinformation and lies by the Jewish and Roman Orthodox Catholic and Christian

Churches (JROCCC) that is boggles the mind. I love exposing the lies but what is so much more interesting to me are discovering the REAL TRUTHS along the way that you discover when you DIG DEEPER. To find the truths you have to put your Bibles and Christian teachings aside and DO YOUR HOMEWORK

A Jewish Old Testament scholar and interpreter of these Jewish stories is speaking with Jordon Maxwell in this video. Abraham came from Ur in Mesopotamia and brought with him the Babylonian stories of the Anunnaki Gods who were the Elohim gods mentioned in the ORIGINAL JEWISH TEXTS OF GENESIS.. NONE OF THE GODS THEY WORSHIPPED WERE OUR HEAVENLY FATHER OR JESUS. THEY WERE ALIEN GODS or "THE SONS" OF THE ALIEN GODS. Jews know this. The Old Testament stories are glimmers of earlier stories that came out of Mesopotamia. The Jews have the original stories which help to explain these Old Testament texts much better

None of the Jews worshipped Jesus or Our Heavenly Father. **Jesus did not show up on the earth until thousands of years**

later long after the story of Abraham the Hebrews and the Jews. When he did come he made it clear that he came to teach the NEW WINE and not to put his NEW WINE (teachings and beliefs) in their OLD WINESKINS (teachings and beliefs).

The Jewish Old Testament is all about the worship alien gods who engaged in the recreation of the earth after the GREAT FLOOD, YOUNGAR DRYAS, ICE AGE PERIOD and the creation of hybrid man by "the gods."

They believed that the earth was formed due to a collision with another planet in our solar system, which after the collision became the Asteroid Belt. The source for this information came from a Babylonian Priest whose job it was to document what happened thousands of years ago. We have fragments of these stories today in the Jewish Old Testament.

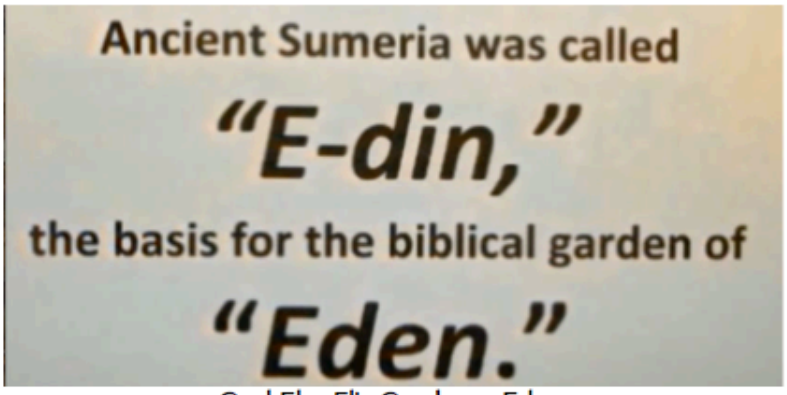
According to the story it was the alien god or gods that caused the Pole Shift, Younger Dryas, Flooding 12.500 - 9000 years ago.

Persian Gulf HYBRID ADAM AND EVE

The location for the Persian Gulf Adam and Eve's cloning is underwater today

PERSIAN GULF GARDEN WAS IN ELAM

Elam was connected closely with Mesopotamia for this is where they got their raw materials of wood, stone and metals. It served as a route for getting precious metals and stones like lapis lazuli, the blue stone prized by the Mesopotamians which were brought from Afghanistan. Elamites raided the valleys of the Diyala and the Tigris. Elam ruled Sumer for a time. The kings of the 3rd dynasty of Ur in Mesopotamia annexed Elam, and Susa became a seat of Sumerian governors. Could it be that Ur was bringing back Elamites to live with them? We know that Terah was an idol maker and that Abraham knew all along as a child that they were not gods but just statues made of clay by his father.

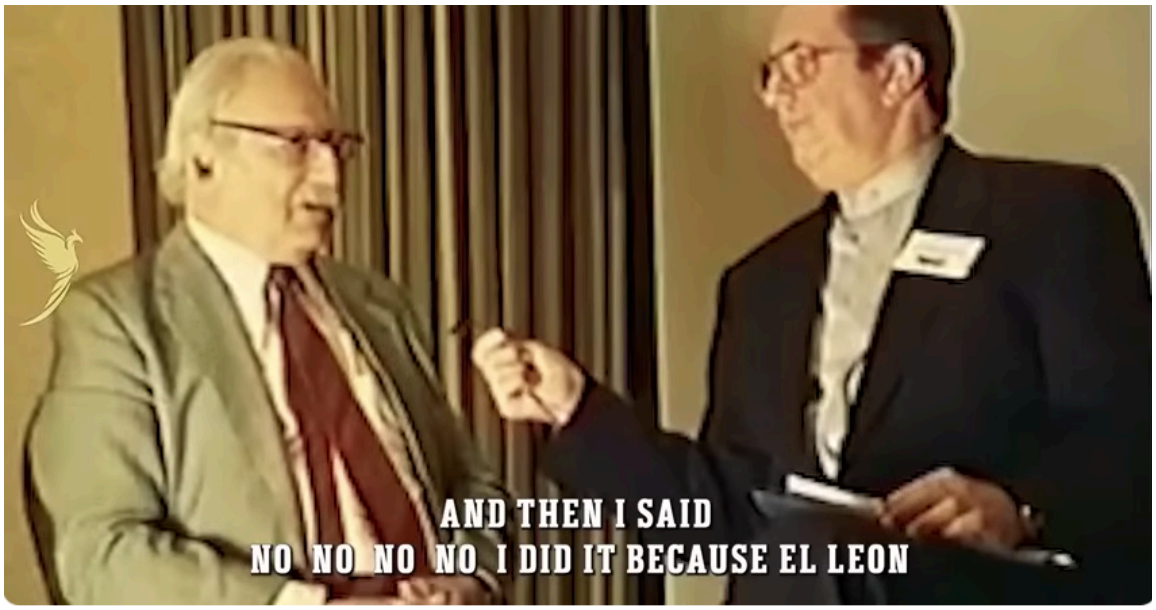


God El = El's Garden = Eden

It was Yahweh Ildabaoth the Demiurge YHWH, a lesser alien Elohim god, who cloned the Persian Gulf Mesopotamian ADAM AND EVE. To do that Yahweh Ildabaoth the Demiurge took Adams DNA and fused it with the sand of the earth which is a symbolic reference to the (vast number of original Scandinavians

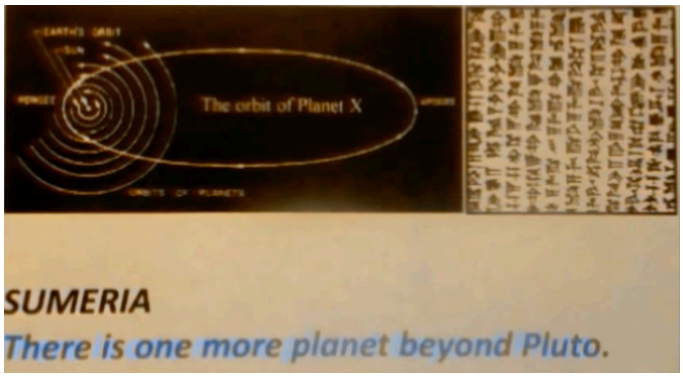
on earth who were so many in number that they could not be counted). They were symbolically referred to as sand because of those vast uncountable numbers. The dark hair dark eyed race of the Sumrian Adam was bred with Scandinavian Mitochondria DNA to be more precise. It was described as YHWH creating his clay model of his hybrid bloodline to become the clay of the earth.

El the god of the Hebrew people was translated as the "lofty one." His alien contingency were referred to as the Elohim. The ASM SECT ZIONIST, KHAZARIAN COMMUNIST DEEP STATE LEADERS are symbolically referred to as the ELITES. This is a code word linking them to the alien human hybrid tribes of the Middle East or **as the sons of the "sons of the gods."**



Moses, who was most likely a fictional character, was speaking to El Leon who was the leader of the Elohim who claimed that he could become anyone he wanted to be saying "I am who I am." That seems to translate the he could shape shift into different images. Remember this is not WOO! WOO! it is referred to as SPIRITUAL TECHNOLOGY we do not understand today.

THE SUN DISC IS A SYMBOLIC REFERENCE TO NIBIRU in Sumerian Lore



NIBIRU IS IT COMING?

WARNING: It looks like the Deep State is going to be telling us that this SECOND SUN is Nibiru the Red Planet of the Dark Star. I have a book on it. In the story of Nibiru we learn that this is supposedly a brown dwarf planet with reptilian aliens on it ESSENTIALLY that passes close to earth on an elliptical orbit. It think it is part of the End Time Delusions of Mankind and the expected FAKED ALIEN ATTACK many of us have heard about by people like Werner Von Braun. We also have the technology to put a SECOND SUN out there using technology etc that can be projected from satellites etc. You can Google a man named Marshal Matthews who has been promoting the Nibiru Dark Star for years now. It is also called Planet X.

Beware of the scam that might develop around the Planet X story.

Could there be a dark star you ask???? As these ancient stories go, these Anunnaki and Elohim gods came from Nibiru which supposedly orbits Earth in an elliptical orbit. It looks like the Annunaki gods came from Nibiru that is very close to earth right

now as the lore claims. According to the lore, when Nibiru comes close to earth the travel of these aliens go back and forth to earth.
